The Rotary Foundation

The Rotary Foundation is the World's Outstanding Foundation for 2016!

When the Association of Fundraising Professionals (AFP), the US-based professional association of fundraisers, rates [The Rotary Foundation](#) (TRF) No 1 in the World, it's worth taking notice.

The AFP was founded in 1960 and promotes stewardship, donor trust and effective and ethical fundraising. It boasts a membership of 30,000 in 233 branches throughout the world.

On November 15th, the AFP recognised The Rotary Foundation as [The World's Outstanding Foundation for 2016](#). The highly-regarded award places The Rotary Foundation in the illustrious company of previous winners, The Kellogg, Komen and MacArthur Foundations.

"While almost everyone is familiar with Rotary, not everyone may realize just how much of an impact Rotary and The Rotary Foundation have had on countless people and communities across the globe," said Jason Lee, AFP president and CEO. "On behalf of the entire charitable sector and people around the world, all of us at AFP are honored to be able to recognize The Rotary Foundation as our 2016 Outstanding Foundation."

Man's best friend

If you want someone who never criticizes what you do, doesn't care if you are pretty or ugly, fat or thin, young or old, who acts as if every word you say is especially worthy of listening to, and loves you unconditionally, perpetually ..

Then Adopt a Dog

If you want someone who is content to get on your bed just to warm your feet and whom you can push out of bed if he snores

Then Adopt a Dog

If you want someone who will never touch the remote, doesn't care about football, and can sit next to you as you watch romantic movies

Then Adopt a Dog!
