: About 100 billion people have died in all human history.

Rotary International's Theme for April is : 'Maternal & Child Health Month'

How Rotary makes help happen

Rotary provides education, immunizations, birth kits, and mobile health clinics. Women are taught how to prevent mother-to-infant HIV transmission, how to breast-feed, and how to protect themselves and their children from disease.

"Smile of the week"

One day 3 women went to the top of a helter-skelter at the fairground. There was a black haired, brown haired, and a blonde haired woman. When they got to the top a genie appeared from nowhere and said, "It's your lucky day!, when you're going down the ride shout out the one thing that you want and lo! You will land in it at the bottom". So the black haired woman went down and shouted "money" and landed in a load of cash, the brown haired woman went down and shouted "gorgeous men!" and landed in a pile of model men. The blonde woman wasn't listening to the genie so she went down shouting "Weeeeeee!"

I look forward to your attendance; input & support...YIR, President Frances
